**TOGETHER IN GOD'S WORK: A MESSAGE TO THE FRIENDS OF BISHOP GAUL COLLEGE.**

**20 JANUARY 2025**

**Calvary Greetings**

Grace and peace to you in the name of our Lord Jesus Christ. We express our sincere appreciation for your continued prayers, interest, and support for the ministry of clergy formation in Zimbabwe. Your partnership remains a vital encouragement to the life and mission of Bishop Gaul College and directly impacts the future of the church.

**A Brief History of Bishop Gaul College**

Since its founding in 1985, Bishop Gaul College serves as the country's principal center for the Anglican clergy training. Nearly 80% of Zimbabwe's serving clergy received their formation here, and many other clergy ministering beyond our borders. Your support helps sustain an institution that continues to shape spiritually mature, theologically grounded, and pastorally equipped leaders for the church.

**Our Current Situation**

Despite committed Diocesan fees, the college faces ongoing financial challenges. including arrears owed to ZIMRA, City of Harare, and other service providers. While friends of the college have previously donated items such as furnishings, solar equipment, kitchen utensils, and other essential items, our core operational need remain significant.

**Our Vision**

We commit ourselves to building strong partnerships rooted in fellowship, collaboration, shared ministry, and support for future clergy. We invite you to continue walking with us as we form clergy who are theologically grounded, spiritually mature, and pastorally equipped.

**College Opening Update**

As we re-opened our college reopens on Monday, 19 January 2026. Some students will begin the year at Wadzanai College in Borrowdale. The rest will report on 8 February

2026, and classes officially begin on 9 February 2026. We enter a period when we mostly rely on partners to support food supplies, essential household and college provisions, financial obligations towards utilities and statutory obligations. Your support whether financial or kind will ensure a stable, dignified and effective learning environment for the seminarians

#### **Growing the Circle of Friends**

We hope to broaden our community of those who stand with us in this ministry. If you would like to learn more about how you can partner with us, we warmly welcome the opportunity to meet and discuss ways to strengthen this vital work together.
